

Some Understanding WFTR would want you to be aware of

Introduction: We value students and their place within the Body of Christ. We are not a local church (and have no mandate from God to be one). As a result, this initiative is not a platform to promote ideological or theological agenda. We do not subscribe to, nor would we seek to defend any Christian's personal convictions of their core beliefs & value - as long as it is not deliberately disrespectful or alienating of others. By signing up to this initiative, you are agreeing to the following understandings:

- I. By Christian, we mean someone who believes in Jesus Christ as their Saviour
- II. By WFTR, we mean Water from the Rock – the charity sponsoring this event.
We are a not-for-profit organisation registered in the UK (1192140)
- III. We share the common beliefs of the Evangelical Community, and we (WFTR) are a member of the UK Evangelical Alliance (www.eauk.org)
- IV. Christians who join the initiative are free to share and encourage one another.
- V. Student representatives are not official WFTR staff and so are free to hold their own beliefs/values independent of WFTR. We expect them to allow others to hold theirs too – as long as it is done honourably, without disregard for others
- VI. We (WFTR) are a Christian organisation and so we expect your conduct during sessions to respect & honour biblical principles that is of reasonable standard.
- VII. We do not use any data or personal conversations on any form of public social media platform. Privacy of all students is something we strongly protect.
Confidentiality is protected, as long as it doesn't put people in danger
- VIII. The initiative is fully sponsored by WFTR but should you feel compelled to give, one of our student representatives will provide you further details at the end of, or at the beginning of the sessions. Please remind the representative
- IX. We anticipate the sessions to start from Sept 2023 and will run for 9 months of the year whilst students are in education. Optional session during vacation
- X. The understanding in this document is not exhaustive and as such we kindly request that you consult with any of our representatives of any thing you are not sure of, in terms of how we function as an organisation. You can do so via chat feature during the live sessions, or email transit@wftherock.org
