

Preliminary Terms and Conditions for the Destiny Encounter (DE) Edit2

The purpose of this initiative is to provide an atmosphere for the Joshua Generation (JG) to encounter God in a safe and spirit-led environment. We will be intentional about creating space for people to seek God, hear from seasoned speakers on the subjects of Destiny & Calling as well as reconnect people with what God has said to them. We are hoping that God will show up and use this platform to restore broken dreams, heal fractured destinies and enable those who want to heal from bad decisions they have made during the pandemic. Teachings will be in the morning, some free time in the afternoon and a time of soaking the presence of God in the evening. We have secured the dates for Thurs 16th – Sun 26th Nov 2023 (early arrival: 15th Nov)

By JG, we mean the generation of people who are carrying the grace to serve the *older generation* (spiritually) and still lead (or has led) the new generation of youth or very young adults

This initiative is a ministry of WFTR (under our Transit Internship) and is open to all those aged ≥18yrs (as long as you prove that you carry or have carried the grace for the JG)

We welcome all Christians who subscribe to the statement of faith of evangelicals (www.eauk.org)

Couples as well as singles are welcome to attend (but be aware that spaces are limited for couples)

We are not a parachurch (and do not seek to be one). We strongly believe that the local church is the single greatest body expressing God's family on earth. So, we expect you to be part of one

There are 10 spaces available (to start with) and priority will be given to those who have either served youths/young adults ^(aged 16-35yrs) for any length of time in the past 18months and/or those who have served or been accountable to a leader of the older generation ^(aged ≥ 50yrs) in the same period

You can come for a long weekend (Session1: from 17th – 20th) or for the entire 9days (Session1+2).

Once you have completed an online interest form, you will receive an email from us asking you to provide further information to your interest. Pls do not make any travel plans until you have received this email

Please Bear in Mind: *This initiative should not replace any need for long-term discipleship nor is it intended for theological debates. The organisers & speakers are not obliged to provide 1-2-1 ministry during this period.*

Furthermore, as much as we'd love to see aspiring relationships flourish, we want to ensure there are no distractions during this initiative. As a result, we are unable to allow two people to start a romantic relationship
